Experience

Student Teacher (Kindergarten and Grades 4,5)

Quispamsis Elementary School

Quispamsis

Responsibilities: Planning and teaching lessons based on New Brunswick curriculum documents. Ensuring all students basic needs are met, i.e. proper clothing for weather conditions, healthy lunch and snacks, cleanliness, and ensuring students are safe and feel safe inside and outside the classroom. Fostering an inquiring mind.

Autism Support Worker

Stepping Stones Fundy regional Inc.

Saint John N.B.-186 Adelaide Street

Responsibilities: Planning and teaching lessons based on social goals. All goals were met through interactive play. Communicating with Social Workers, Speech Pathologists, Occupational therapists and other medical professionals on a regular basis.

After School Art Teacher

Estey Creations

Kings County Area

Responsibilities: Gather the attention of children grades 3-5 basic to teach basic techniques in art such as rendering, and perspective, using a variety of mediums such as oil pastel, water color pencil and pencil crayons.

Sunday School Teacher

Saint Paul's Church

Rothesay NB

Responsibilities: Make a lesson plan each week based on scripture. The class format is a one room schoolhouse so lessons must be appropriate children K-8. Lots of crafts and hands on activities are done in order to keep the children's attention. I sometimes take the kids on mini field trips to parts of the church they may not have known about in order to teach historical significance of parts of the church, or to provide a visual to relate to scriptural passages.

Camp Counsellor

Camp Rotary

Grand Lake NB

Responsibilities: Facilitate campers with a variety of special needs in daily activities such as eating, mobility, and all other aspects of personal care. Planning and participating, in a leadership position, programs designed to include all campers.
